THE DIRECTOR OF CENTRAL INTELLIGENCE

Mr. Michael J. O'Neil
Permanent Select Committee
on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mike:

I am returning your copy of the transcript of the 19 June 1978 briefing of the Subcommittee on Oversight on the 7 June 1978 Presidential Finding. You will note that several small corrections have been made (marked in ink and flagged with a paper clip).

There are also some more significant changes we recommend. They are as follows:

(1) Page 13 - The House International Relations Committee was briefed on 2 August 1978 and apparently has not deferred to the House Permanent Select Committee on Intelligence. I have placed brackets around the words that we would recommend deleting.

(2) Page 30 - At the carrot on mid-page, we would like to insert: "Our current plan is to acknowledge that U.S. Government funds are involved."

(3) Pages 34 and 35 - We would like to strike all of the bracketed verbage on these two pages--due to the very high sensitivity of the information. Would it be possible to insert: "Mr. McMahon described a number of the tangible benefits derived as a direct result of having [redacted]"

Please let me know if any of these requested changes cannot be accommodated. Thanks in advance.
